

Was the length of the program adequate?

- Consider starting @ 9:00 if possible.
- Too long.
- Each group was done browsing w/college reps in about 15 minutes & would hang out with their friends for the rest of the time.

Did the invitation include all necessary information?

- No, please inform counselors that this is a high school fair, not a transfer fair. I didn't know there would be 13 high schools in attendance.
- Nice e-mail response!

Did you feel the students were well prepared?

- Students I talked to had not yet taken SAT/ACT.
- No one wanted to fill out cards or ask questions. They just grabbed info off the tables.
- Good questions, well mannered!
- They were provided a good list of questions to ask us, however, very few students seemed to know what to ask.
- Unfamiliar with the differences between technical schools/colleges/universities.

Was the program well organized and supervised?

- Great organization!
- Excellent!
- Bad idea to have the football team fed before the visiting students, and then beat on the back door so they could eat in front of everybody else in the stands while the last two groups were still visiting with reps.

Any suggestions for improvement of the program?

- Best program I have been to.
- Very spirited event!
- Great program – very well organized – one of the top 3 programs this year. Keep up the good work.
- Great program!
- We enjoyed the entertainment – great idea!
- Thank you!
- Students did ask for information on financial aid/scholarship or academic. Instill in them the importance of college.
- Thank you for having us today.
- We really appreciate all the Entertainment!! It is wonderful.
- Great spirit! Thanks!
- Great program for our school!
- I prefer to work these types of programs where a number of high schools attend a larger fair, as opposed to all the little high schools hosting a small fair and showing up to a large fair as well. (Gilmer, i.e.)
- It was great that the students were exposed to school spirit & traditions of a college.
- The last group just wanted to let out to eat because they saw your football team and cheerleaders eating.

Dear College Fair Hosts,

I am sending you this letter today with the final copy of the schedule for the East Texas TACRAO (Texas Association of Collegiate Registrars and Admission Officers) week, November 28 – December 2, 2005. You are receiving the list along with evaluations forms for your program.

I know it will be hard for you to prepare for a fair immediately after the Thanksgiving holidays. It was unavoidable this year as Labor Day was late and our schedule was one week late in starting.

These guidelines outline your responsibilities as a fair host and include evaluations for your college representatives and yourself to complete. The evaluations are vital in improving our college fairs in the future and meeting the needs of our college bound students. Please return your college fair evaluations to me after your fair.

I'm proud to tell you that the East Texas TACRAO week should remain in November in the future. The proposed dates for 2006 are November 13-17, 2006. Mark your school calendars and reserve your facilities. Please call me if you have questions.

We hope your program is a great success!

Please send me your evaluations by December 20, 2005.

Sincerely,

Kim Faris
