

TREE OF OPPORTUNITY AND EXCELLENCE

Trinity Valley Community College Foundation

What better way to honor or memorialize someone than through a visual piece of art that will permanently be displayed for the public to view for years to come?

The "Tree of Opportunity and Excellence" brass sculpture will be prominently displayed in the front lobby of the Orval Pirtle Administration Building on the Athens campus of Trinity Valley Community College as a visual tribute to those who have pledged support of the TVCC Foundation.

Each engraved leaf on the tree or each engraved stone below the tree will represent a contribution to the Foundation. Each gift to the Foundation serves as a perpetual honor to those united in our mission of offering every opportunity for future students who seek a college education.

Recognition Levels of Giving
