

Trinity Valley Community College 2008-2009 Preferred Lender List

The following lenders have provided good service to our students and have a solid working relationship with our institution by offering an efficient process for delivering the student loan proceeds. **You may choose any lender you prefer, even if they are not on our lender list.** If you have borrowed a Stafford loan previously, we encourage you to continue with the same lender and servicer to alleviate the confusion of having more than one loan payment when you enter repayment. The terms and conditions of all the loan programs are the same as they relate to interest charged regardless of lender, but lender benefits, policies and procedures may differ. Always check with lender to verify incentives/benefits.
