STUDENT SUCCESS STEERING COMMITTEE

This committee is an outgrowth of the Strategic Planning Committee, and it serves as a steering committee for the implementation of the Success and Outreach goals of Trinity Valley Community College's 2007-10 Strategic Learning Plan. This committee is charged with developing targets for student success. Student success is currently defined as including student recruitment, retention, and graduation. Initially targeted rates of success are to be developed for various student groups (ex, cohorts, campus location, ethnicity, gender), and measurement of relative success of each group is to be monitored. This committee will be responsible for overseeing the evaluation of the effectiveness of strategies that are implemented to improve student success. Additionally, this committee should strive to define student success in ways that are more connected to student learning where the opportunity arises.
