

***LI Project (Activity) Information Sheet: Learning Academy
(Scholars Project)***

| | |
|-------------------------------------|---|
| <p><u>Project Outcome:</u></p> | <p>Faculty/Staff will develop new teaching methods that will increase learning for students (classes) and faculty (Learning Day). Colleague engagement will also increase.</p> |
| <p><u>Project Summary:</u></p> | <p>Faculty/Staff agree to meet as a class approximately eight to ten times for a year (two semesters). A course is redesigned, a portfolio prepared, and an active part taken in Learning Day in the fall. These classes will cover such topics as investigating teaching methods, assessment, student self-evaluation, faculty and student responsibilities, increased engagement, and supplemental instruction ideas.</p> |
| <p><u>Project Challenges:</u></p> | <p>Working schedule around meeting times on Athens campus (Wednesday afternoons) every three or four weeks.</p> |
| <p><u>Project Contact:</u></p> | <p>Linda Gann Learning Initiative Learning Academy Team Chair Economics and Mathematics Athens (903) 675-6378, Terrell (972) 563-4909 lgann@tvcc.edu</p> |
| <p><u>Syllabus Suggestions:</u></p> | <p>Course redesign will be reflected in syllabus.</p> |
