<b>Outcome 2</b>	<a href="#">Return To Top</a>
<b>Description &amp; Methodology</b>	
<b>Goal</b> To expand and enhance kiosk registration to include more students and make this type of registration available for the for the five main terms offered at TVCC.	
<b>Outcome Description</b> More students will take advantage of kiosk registration. Fall, spring summer 1 and 2 and the all summer will be available for students to register by kiosk.	
<b>Implementation Strategy</b> Access and evaluate fall kiosk registration to improve the process and open it up for the other main semesters.	
<b>Assessment Method</b> The numbers will increase each semester on the number of students using this registration method. Students will be surveyed for problems and ways to make it better.	
<b>Criterion (Expected Outcome)</b> More students will register in the kiosk format rather than regular registration.
