President's Welcome

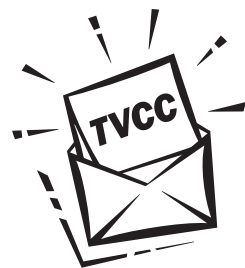

Few decisions will have a greater impact on your life than those you make about higher education. The decision to pursue a college degree and your choice of college deserve your serious attention, and I urge you to consider Trinity Valley Community College. I strongly believe that community colleges offer students a solid foundation for the rest of their academic and professional lives. If I didn't, I wouldn't have continued to serve at TVCC.

This brochure is designed to answer many of your questions about college, but there is no substitute for first-hand knowledge. I encourage you to visit any of our campuses to learn more about college life and what TVCC has to offer. Even if you are unsure about which college you plan to attend, a visit to one of our campuses can aid in a better understanding of what to expect and look for in making your decision. TVCC personnel will be happy to serve you and assist you in making this important decision.

Trinity Valley Community College could be in your future. You owe it to yourself to check it out.

Ronald C. Baugh
President

You're invited...

Since 1946,

Trinity Valley Community College has provided a comprehensive academic experience that fosters intellectual, social, cultural and physical growth of its students.

TVCC demonstrates its commitment to your present and your future by offering an academic curriculum designed to fit your needs. Our students can pursue one of three educational paths: university transfer, occupational education or personal enrichment.

Discover a College..

TVCC offers all of the advantages of a small college – low student-faculty ratio (average 20:1), individualized attention and a cohesive intellectual community. We are large enough to offer diversity and quality, yet small enough to preserve individuality and personal warmth.

Our Students

TVCC welcomes students from a wide variety of backgrounds and learning experiences. The diverse ideas and cultures of our student body make TVCC a great place to learn.

TVCC is alive with clubs, sports, recreational activities and ways to get involved. You can join student government, contribute to the school newspaper, study abroad or participate in organizations with different interests ranging from academic to humanitarian to just plain fun. The campus calendar is filled with activities throughout the year.

TVCC at a Glance

DESCRIPTION: Trinity Valley Community College (TVCC) is a public, two-year, post-secondary institution offering a core curriculum of freshmen/sophomore courses in arts and sciences, vocational and occupational-technical education. Non-credit and personal enrichment courses are also available.

HISTORY: Trinity Valley Community College was founded in 1946 as Henderson County Junior College. It was renamed Trinity Valley Community College in September, 1986, and is a multi-campus institution with the following educational centers: Trinity Valley Community College—Athens (1946) Trinity Valley Community College—Palestine (1972) Trinity Valley Community College—Terrell (1973) Health Science Center—Kaufman (1983)

ACADEMIC PROGRAMS: TVCC operates on a semester system. The College confers the Associate of Arts and Associate of Applied Science degrees and the Certificate of Completion.

ADMISSION: Trinity Valley Community College maintains an open door admission policy. All students must comply with Success Initiative requirements.

CAMPUS LIFE: TVCC has over 20 educational, cultural, religious, social and recreational student organizations. Intramural sports are also available.

FINANCIAL AID: TVCC offers over 50 different scholarships (need-based and non-need based). State and federal aid, in the form of grants, loans and college work-study, is awarded based on an assessment of the Free Application for Federal Student Aid (FAFSA).

THE CAMPUSES: The main campus of TVCC is located in Athens, Texas. The 60 acre campus has 22 buildings, including four residence halls, a modern Learning Resource Center, the Cardinal Gym, the Cardinal Fieldhouse, an instructional media center and a Student Union building.
Palestine – 90 acre campus – 3 buildings
Terrell – 43 acre campus – 3 buildings
Kaufman – 2 acre campus – 1 building

ENROLLMENT: Systemwide, TVCC enrolls approximately 6000 students from 23 states and 18 foreign countries; however, the majority of our students are Texas residents. 41% of the students are enrolled full-time.

FACULTY: Systemwide, TVCC has 145 full-time faculty members.

ATHLETICS: TVCC is a member of the Southwest Junior College Football Conference and the Region XIV Athletic Conference. Teams for men participate in conference competition in football and basketball; women participate in conference competition in basketball.

COLORS: Red and White

MASCOT: Cardinal

TVCC is an affirmative action/equal opportunity institution.

Admission Requirements

All applicants must submit a completed "Application for Admission", "Proof of Residence" form and official Success Initiative tests results (THEA or Compass), or results from an approved alternative test, unless the student is exempt based on TAKS, ACT or SAT scores. The following additional requirements must be met before admission is approved:

Beginning Freshman: Students enrolling in college for the first time may qualify for admission by any one of the following methods:

- a) graduation from high school;
- b) a notarized record of the high school equivalent work completed and the date of successful completion or satisfactory completion of the General Educational Development Test (GED);
- c) individual approval by the Guidance Services Office.

Transfer Students: Students who have previously attended other accredited colleges must submit an official transcript of grades and credits from all colleges previously attended.

Early Enrollment of High School Students: Applicants to the concurrent and early admission programs must submit an "Application for Admission Supplement for Current High School Students" form.

Academic Pursuit

Students who pursue the Associate of Arts (A.A.) Degree at TVCC enroll in university-parallel or pre-professional courses which readily transfer to four-year colleges and universities. Upon completing the degree, TVCC students transfer with junior class standing.

TVCC offers a broad range of technical and vocational programs leading to a one-year Certificate of Completion or two-year Associate of Applied Science (A.A.S.) Degree. These programs are designed to prepare students to enter and compete in the occupational job market.

Community Services provides an array of non-credit courses for personal enrichment, an Adult Education component and other programs.
