

PARTNERSHIP AGREEMENT BETWEEN
TRINITY VALLEY COMMUNITY COLLEGE
AND
MABANK HIGH SCHOOL

Trinity Valley Community College and **Mabank High School** agree to the following conditions for providing quality instruction to concurrent students enrolled in **Math 2313** in the 2006 spring semester.

STUDENT ELIGIBILITY

High school students must be classified at the junior or senior level and must have met testing and enrollment requirements for Trinity Valley Community College.

The class load of a high school student shall not exceed two college courses each semester except under special circumstances.

FACULTY QUALIFICATIONS

Instructors teaching courses which result in the award of college credit will meet all standards prescribed by the Southern Association of Colleges and Schools, the Texas Higher Education Coordinating Board, and all other applicable agencies.

LOCATION AND STUDENT COMPOSITION OF CLASSES

The location of the concurrent classes shall be at the **Mabank High School, Mabank, Texas**. The class shall be composed of dual and/or college credit students. If the class includes high school credit-only students, the high school credit only students must be advanced placement students, all of whom will be taught the college-level course.

STUDENT SERVICES

Students will have access to TVCC library services, academic advising, and other appropriate support services.

ELIGIBLE COURSES

Math 2313 will be offered during the 2006 spring semester.

GRADING CRITERIA

Grading criteria for college credit shall be the official grading criteria of Trinity Valley Community College.

TRANSCRIPTION OF CREDIT

For college credit courses, credit will be transcribed at the end of the designated semester in which the student is enrolled and upon the student's successful completion of the performance required in the course.

TUITION

The cost of tuition and fees will be based on the current Trinity Valley Community College tuition and fee schedule.
