2 or less	2	N/A
3	3	4
4	4	5
5	5	6
6	5	7
7	7	9
8	8	10
9	9	11
10	9	12
11	10	14
12	12	15
13	13	16
14	13	17
15	14	19
16 or longer	15	20

Refunds will be mailed to the student approximately four weeks after the end of the applicable refund period.

Accreditation

Trinity Valley Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia, telephone number 404-679-4501) to award the Associate of Arts degree, Associate of Science degree, and Associate of Applied Science degree.

Trinity Valley Community College is an affirmative action/equal opportunity institution which provides educational and employment opportunities on the basis of merit and without discrimination or harassment because of race, color, religion, sex, national origin, age, or disability.

Trinity Valley Community College will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For information about your rights or grievance procedures, contact the Title IX and Section 504 Coordinator, Sherry Nusko at Trinity Valley Community College, 100 Cardinal Drive, Athens, TX 75751, (903) 675-6215.

Academic advisement is available on TVCC Campuses in Athens, Palestine and Terrell. Should you require assistance in determining your course selections for the upcoming semester, please call or come by the counseling center nearest you for assistance.

ATHENS 903/675-6350

PALESTINE 903/729-0256

TERRELL 972/563-9573

Admission Information

TRANSFER STUDENTS - Must have the following when they enroll:

1. Official transcript(s).
2. Official Texas Success Initiative Test results or approved alternative test results, unless exempt. (See Testing Information).
3. Proof of Texas Residency (if applicable).

NEW STUDENTS - Must have the following when they enroll:

1. An official transcript of high school grades and credits or G.E.D. transcript.
2. Proof of Texas Residency (if applicable).
3. Official Texas Success Initiative Test results or approved alternative test results (See Testing Information).

Testing Information

State law requires that “each undergraduate student, unless otherwise exempt, who enters a public institution of higher education must be tested for reading, writing, and math skills prior to enrolling in college-level coursework.” All students who do not meet Texas Success Initiative standards or exemptions must test prior to registration. For more information, go to www.tvcc.edu/testing/thea.htm or contact the Testing Center in Athens at (903) 675-6385 or the Counseling Offices at Palestine (903) 729-0256 or Terrell (972) 563-9573.

TEST DATES

***Quick-THEA will be offered on the following dates:**

- No Pre-registration/Seating is limited. Testing begins at 9:00 A.M.
- Arrive early.
- Bring photo ID (You can not test without it.)
- Bring \$49.00 Check, Cash, or Money Order
- You may bring a basic four-function calculator.

ATHENS: 1st Monday of each month.
(For information call 903-675-6385.)

PALESTINE: Summer: 1st Thursday of June, July, & August
Fall/Spring: 1st Friday of each month except for September and January
(For information call 903-729-0256.)

TERRELL: Summer: 1st Thursday of June, July, & August
Fall/Spring: 1st Friday of each month except for September and January
(For information call 972-563-9573.)

***Testing on COMPASS**

First and third Tuesday of each month and daily during registration. COMPASS computerized testing will be available by appointment only. Test Fee is \$49.00. Contact the Testing Center in Athens at (903) 675-6385 or the Counseling Offices at Palestine (903) 729-0256 or Terrell (972) 563-9573 for additional information.

THEA/Quick-THEA tests taken less than 3 weeks prior to registration may not be available, and enrollment in developmental coursework will be mandatory.

*Statewide THEA Tests are still only \$29.00. Pre-register at www.thea.nesinc.com

**PRIORITY PROCESSING
for PELL Students**

Students who turn in complete financial aid paperwork by **November 1** are **guaranteed** that their awards will be processed and ready at registration time for the Spring 2006 semester. Be sure to include all verification paperwork (tax returns, child support payments, etc.) so the Financial Aid office can complete your file.

Mission Statement

Trinity Valley Community College is a learning-centered college that provides quality academic, workforce, and community service programs to meet the educational needs of our students and the citizens of our service area.

**Students Interested in the
TVCC HONORS Curriculum**

Please ask your academic advisor at the “Advisement Table” for a copy of the REACH (Reaching Excellence Academically and Culturally through Honors) application or re-admission form. Your advisor has a copy of the schedule of honors contract offerings available. Please express your interest in reviewing that schedule before you begin constructing your class schedule.

Distance Learning is a method of instruction that allows the student to take college courses away from the campus, usually at a time of their own choosing. Courses at TVCC are available using the internet (Online), 2-way live television (ITV) and through video tape lessons and television (Telecourses).

Internet students typically meet with their instructor for an in-person orientation and then maintain communication electronically. Individual instructors determine whether examinations may be taken online or off-site with designated proctors.

ITV classes meet at regularly scheduled class times. Telecourse students generally have an in-person orientation and then meet periodically with their instructor for review and testing.

TELECOURSE & INTERNET COURSES: There is a lab fee of \$20.00 per course.

Distance Education Registration Requirements

Students are required to obtain a course syllabus when registering for distance education courses. Attendance at the orientation session specified in the syllabus is **MANDATORY**. Refer to the course syllabus for location and time of orientation sessions.

BACTERIAL MENINGITIS

This information is being provided to all new college students in the state of Texas. Bacterial meningitis is a serious, potentially deadly disease that can progress extremely fast—so take utmost caution. It is an inflammation of the membranes that surround the brain and spinal cord. The bacteria that causes meningitis can also infect the blood. This disease strikes about 3,000 Americans each year, including 100-125 on college campuses, leading to 5-15 deaths among college students every year. There is a treatment, but those who survive may develop severe health problems or disabilities.

What are the symptoms?

- High fever
- Rash or purple patches on skin
- Light sensitivity
- Confusion and sleepiness
- Lethargy
- Severe headache
- Vomiting
- Stiff neck
- Nausea
- Seizures

There may be a rash of tiny, red-purple spots caused by bleeding under the skin. These can occur anywhere on the body.

The more symptoms, the higher the risk, so when these symptoms appear seek immediate medical attention.

How is bacterial meningitis diagnosed?

- Diagnosis is made by a medical provider and is usually based on a combination of clinical symptoms and laboratory results from spinal fluid and blood tests.
- **Early diagnosis and treatment can greatly improve the likelihood of recovery.**

How is the disease transmitted?

The disease is transmitted when people exchange saliva (such as by kissing, or sharing drinking containers, utensils, cigarettes, toothbrushes, etc.) or come in contact with respiratory or throat secretions.

How do you increase your risk of getting bacterial meningitis?

- Exposure to saliva by sharing cigarettes, water bottles, eating utensils, food, kissing, etc.
- Living in close conditions (such as sharing a room/suite in a dorm or group home).

What are the possible consequences of the disease?

- Death (in 8 to 24 hours from perfectly well to dead)
- Permanent brain damage
- Kidney failure
- Learning disability
- Hearing loss, blindness
- Limb damage (fingers, toes, arms, legs) that requires amputation
- Gangrene
- Coma
- Convulsions

Can the disease be treated?

- Antibiotic treatment, if received early, can save lives and chances of recovery are increased. However, permanent disability or death can still occur.
- Vaccinations are available and should be considered for:
 - Those living in close quarters
 - College students 25 years old or younger
- Vaccinations are effective against 4 of the 5 most common bacterial types that cause 70% of the disease in the U.S. (but does not protect against all types of meningitis).
- Vaccinations take 7-10 days to become effective, with protection lasting 3-5 years.
- The cost of vaccine varies, so check with your health care provider.
- Vaccination is very safe—most common side effects are redness and minor pain at injection site for up to two days.
- Vaccination is available at your own health care provider.

How can I find out more information?

- Contact your own health care provider.
- Contact your regional Texas Department of Health office at 903-595-3585.
- Contact web sites: www.cdc.gov/ncidod/dbmd/diseaseinfo; www.acha.org
