Mr. Ronald C. Baugh
President
Trinity Valley Community College
500 South Prairieville
Athens, TX 75751

Dear Mr. Baugh:

Thank you for sending the Commission on Colleges an updated description of your Internet and interactive video courses. Since you notified the Commission in 1994 by submitting a Substantive Change Plan, nothing more needs to be done. Additionally, Trinity Valley Community College was last reaffirmed in 1996. The visiting team reviewed the courses at that time.

Since you plan to continue developing this mode of instruction, I am sending a copy of Substantive Change Procedure C. Please note that the percent of an educational program offered through Internet and interactive video is an important factor when submitting a change prospectus.

Thank you for your timely notification to the Commission.

Sincerely,

James T. Rogers
Executive Director
