**The TVCC Ag Club was formed to encourage leadership and fellowship among students interested in agriculture and ranch management. The 2015-2016 Ag Club has many great ideas for community service activities this year which includes nursing home visits and helping put on the spring TVCC intercollegiate rodeo at the Henderson County Fairpark Complex. The officers of the Ag Club are excited and look forward to their leadership opportunities this year while they promote the purposes of the Texas Junior College Agriculture Association as well as providing services for agriculturally-oriented youth groups.**
