"I thoroughly enjoyed getting the opportunity to compete and represent Trinity Valley at the 2021 Texas Junior College Agriculture Association convention. This convention was a great way to end my sophomore year at TVCC and I am forever grateful for my team and advisors who have pushed me to get outside of my comfort zone and compete in speaking events. Good luck to the upcoming group next year" -TVCC AG Club President Maddie Eskue

"During the convention trip, TVCC Ag Club members were taken on a tour of Palo Duro Canyon State Park where they went on a 1 ½ mile hike over a peak and into the canyon's valley. We visited the museum there and observed much wildlife. We also toured the extremely nice and newly completed Agriculture complex at WTAMU. I very much enjoyed taking this group of energetic ag and ranch management students to the TJCAA Convention this year." - Marc Robinson, TVCC Ag Club Advisor
