(6) Student Discipline- A school board is not required to conduct an open meeting to deliberate in a case involving discipline of a public school child. The exception does not apply if an open hearing is requested in writing by a parent or guardian of the child. Gov’t Code 551.082; Atty Gen. Op. JM-340 (1985) [a college district board of trustees is considered a school district board of trustees for purposes of the OMA]

If a closed meeting is allowed, the governmental body may not conduct the closed meeting unless a quorum of the governmental body first convenes in an open meeting for which notice has been given as provided by Government Code Chapter 551 [see BD] and during which the presiding officer publicly announces that a closed meeting will be held and identifies the section or sections of Chapter 551 under which the closed meeting is held. Gov’t Code 551.101

A final action, decision, or vote on a matter deliberated in a closed meeting under Government Code Chapter 551 may only be made in an open meeting that is held in compliance with the notice provisions of Chapter 551. [See BD] Gov’t Code 551.102

Resignation and Board Replacement BBC (Legal)
To be effective, a public officer's resignation or an officer-elect's declination must be in writing and signed by the officer or officer-elect and delivered to the appropriate authority, the college district board of trustees, for acting on the resignation or declination. The resignation or declination may be delivered to the presiding officer of the body or to its clerk or secretary. The authority may not refuse to accept a resignation.
Except as provided in Education Code 130.0822(l), in single-member districts, any vacancy on the board shall be filled by appointment made by the remaining members of the board. The appointed person serves for the unexpired term.

**Board Committees- BCB (Legal)**
A committee that includes less than a quorum of board members is not subject to the Open Meeting Act if it serves a purely advisory function, with no power to supervise or control public business. However, should the committee actually function as something more than a merely advisory body with the result that it in fact supervises or controls public business or policy, it must comply with the OMA to avoid depriving the public of access to the board’s actual decision-making process. (For instance, if the Committee is authorized to finalize a contract for the Board).

**Board members will serve on at least one committee consisting of a Budget Committee, Facilities Committee, and the Strategic Planning Committee and/or special board committees. Committee meetings will meet on an as needed basis.**

**College ID/Parking Permits**
All Trustees will be given a college ID card and a college parking permit. These are maintained through the TVCC Police Department.

Reimbursement for reasonable travel expenses for attendance at such conventions, conferences, and workshops shall be made by the College District when attendance is authorized and deemed by the Board to be necessary or desirable in carrying out the educational functions of the College District.

Members of a board shall not receive any remuneration or emolument of office, but they shall be entitled to reimbursement for their actual expenses incurred in performing their duties, to the extent authorized and permitted by the board.
