**CONFLICT OF INTEREST DISCLOSURE**

As of 2005, 3M Company is a \$21 billion, Fortune 500 company that is listed on the New York Stock Exchange and a component of the Dow Jones Industrial Average. With a current market capitalization of over \$50 billion, no individual shareholder has a significant financial interest. With over 70,000 employees globally, it is impossible to certify which employees make recommendations to a local government officer with respect to expenditures of money, have an affiliation or business relationship with a local government officer, or which employees may have a conflict of interest.

However, to the best of my knowledge and specific to the 3M Company Security Systems Division, by its Library Systems Services Business, there are no known conflicts of interest directly related to 3M Service Contract number SA16837 effective for the current annual contract renewal period of 2006/2007.
