

# CNA Course Pre-Requisites

ADULT & CONTINUING  
EDUCATION DEPARTMENT

## Required Documentation:

- 1) **Immunizations:** (If immunizations have been administered, provide the most current immunization records available. If you are unable to provide record of administered immunizations, a *TITER (blood tests)* is required to prove presence of antibodies in your system. If the antibodies are not found, the immunizations are required to be administered.)

Email immunization records to [conted@tvcc.edu](mailto:conted@tvcc.edu).

- a. Tetanus/Diphtheria (in the last 10 years)
- b. MMR (Measles, Mumps, & Rubella) – 2 doses
- c. Varicella (Chickenpox shot)– 2 doses
- d. Hepatitis B – All students must receive a complete series of hepatitis B vaccines or show serologic confirmation of immunity to hepatitis B virus prior to the start of direct patient care. The series must be three doses of Engerix-B or Recombivax-HB or two doses of Heplisav-B.
- e. Meningitis - All new TVCC students who are under 22 must have proof of meningitis vaccine on file at TVCC before being able to register. *Immunization records must be less than five years old.*
- f. Flu Shot – Current Season

*If you are not in possession of your immunization records, contact the last known location of your records. Ex: high school college, doctor's office, parent, or guardian etc.*

- 2) **DPS Background Check:** You will need to create an account at the [Criminal History Conviction Name Search](#), submit your information, and print or screen shot the Search Results as evidence of DPS background check.

Once required pre-requisite documentation has been received and cleared, potential student will complete the following: [TVCC ACE Registration Form](#) with the desired class information.

**Tuition and required pre-requisite documentation are due at the time of registration.**

## **Financial Assistance - Optional**

### **Adult and Continuing Education Financial Aid**

To apply, you must complete a [FAFSA Application](#) to determine eligibility for Adult & Continuing Education Financial Aid. Additionally, you must complete the [TVCC Adult and Continuing Education Financial Aid Application Form](#). TVCC Adult & Continuing Education Financial Aid *could* pay up to 50% (not exceeding \$550 and if funds are available) of the tuition. **If you are eligible for financial assistance, it will be applied to the student account. The student is responsible for the remaining tuition balance and additional class costs.**

Additional Class Costs:

1. Book: The Nursing Assistant with FACETS– 2<sup>nd</sup> edition - \$129 plus tax\*
2. Supplies:
  - a. Maroon scrubs
  - b. Closed-toed shoes
  - c. Watch with a second hand
  - d. Gait Belt  
Stethoscope
  - e. Shoulder Patch: \$5\* (Available at the TVCC Bookstore)
3. Testing fee: \$135\* (Payment will be made to Testing Provider)

\*Price subject to change

**Per TVCC Policy, students are responsible for full tuition.**

### **Community Services, Inc of Corsicana**
