Meet the Instructor *Dyna Tutt*

My name is Dyna Tutt. I am a part-time instructor at TVCC. I am a Registered Nurse of 47 years. I worked as a Critical Care Nurse for most of my nursing career. For the past 30 years, I have taught nursing in a Baccalaureate, Associate, and Vocational Nursing program. For 15 years I have taught Certified Nurse Aide, Medication Aide, and Phlebotomy classes. I knew early in life that I wanted to do something in the medical field, but nursing found me. I love teaching because it equips my students with knowledge no one can take away. Knowledge equals more opportunities and better jobs. I look forward to seeing you in my classes.
