department for more details before the start date.**

ABOUT THE INSTRUCTOR

Brenda Cumby

Cumby earned her Nursing degree from Trinity Valley Community College. Her nursing career began in Long-term Care, progressing through roles including charge nurse, treatment nurse, infection control nurse, assistant director of nursing, and ultimately director of nursing. She initially started as a certified

nurse aide, later returning to college to obtain certification as a medication aide, a role she held for over six years. Cumby advanced her education to become a Registered Nurse and began her floor nursing career caring for geriatric residents at Cedar Lake Nursing Home, where she worked for 17 years. She then served as a Charge Nurse at ETMC/UT Athens, working across the Med-Surg, Pediatrics, OB, and ICU units for 12 years. Cumby also held the position of Director of Nursing at Advanced Rehabilitation and Healthcare in Athens for one year. With over 28 years of nursing experience, Cumby is currently employed at Trinity Valley Community College as a Clinical Medical Assistant and Nursing Assistant Program Instructor.

Cumby has been married for 40 years and is blessed with two children—a son and a daughter—both serving as Youth Pastors and Praise and Worship Leaders. Her son, a TVCC graduate, is employed by the Texas Department of Transportation, while her daughter works professionally as a chef. Cumby and her family are proud grandparents of three grandchildren: her oldest grandson is attending UT Tyler majoring in business, her other grandson is a senior at Athens High School, and her granddaughter attends Mansfield Elementary. She is an active member of the Greater Athens Lion Club and a sorority member of Gamma Phi Delta, an organization for professional women. Passionate about community involvement and people, Cumby is excited to contribute as an instructor at TVCC.
