About the Instructor

Chelsea Young's art journey started in the fall of 2010 studying art at Blinn College in Brenham Tx. From there, she attended Trinity Valley Community College at the Terrell and the Athens campus where she continued to study art. In 2014, she earned her Associate of Arts degree. After becoming a cardinal and flying the nest, she attended the University of

Texas at Tyler to study studio arts. In 2017, Ms. Young earned her Bachelor of Art degree in studio arts. Although she had earned two college degrees, two was not enough. She decided to attend graduate school at UT Tyler to study teaching. In 2019, she earned her Master's degree in education while studying curriculum and instruction.

She still to this day enjoys a variety of art including, painting, drawing, mixed media, and printmaking.
