Meet the Instructor

TONI KILLGO BSN, RN

I attended Trinity Valley Community College, earning my Patient Care Technician Certificate and Associate Degree in Nursing. I also attended the University of Texas at Arlington, earning my Bachelor of Science in Nursing degree. I have my American Heart BLS Instructor Certification and BLS Provider Certification. I also have certifications from the Texas Department of State Health Services in Hearing, Vision, and Spinal Screening.

My work experience ranges from working in a Long Term Care facility for approximately 2 years and a doctor's Hospital for 3 years as a Patient Care Technician. Then, as an RN, I worked at Doctors Hospital on the Med/Surg floor and Post-Op floor for elective surgeries in the Surgical Suite Unit for 10 years. I also worked in Home Health for 2 years, as a School Nurse for 15 years, and now as a TVCC Instructor for 4 years. My priorities are God/church, grandbabies (3), daughter/son-in-law, family, friends, self, and job. I enjoy reading, walking, and vacations with my family and friends. I live a full, active life and I am truly blessed. Psalm 16:8-9.
