Revised July 2015

Learning Outcomes: Upon completion of this course, the student should demonstrate a mastery of the following learning outcomes:

- Knowledge and skills needed to successfully complete the State of Texas, Texas Department of Aging and Disability Services certification assessment for nurse aides.
- Students seeking state of Texas CNA certification must meet these requirements:
 1. Student must participate in the Texas Department of Aging and Disability Services required hours of training; minimum of 60 classroom hours (no exceptions)
 2. Students must have grades of 80% or higher in this course and the companion course, NURA1060 Nurse Aide Clinical.
(Lower achieving students may complete the course but will not be eligible to participate in the state certification exam nor will the course apply to the completion of the TVCC Medical/Nursing Assistant Certificate).
 3. Completed Texas Nurse Aide Performance Record with Satisfactory (S) for Classroom and Lab sections.
 - a. The instructor must provide this completed document for each student to TVCC prior to the student being approved for state certification testing.
 - b. The instructor must provide each individual student with a copy of their performance record and provide TVCC with a receipt signed by the student.
 4. Student attendance (without tardiness or leaving early) is required of all students (no exceptions). Attendance is a Texas Department of Aging and Disability Services requirement and is verified by student sign in sheets with arrival and departure times. Students not meeting attendance requirements will not be eligible to participate in the state nurse aide certification exam.
 5. Instructors must complete a daily attendance (present/absent) log for TVCC with specific dates of the course meeting.

Course Requirements:

Students must complete the Texas Department of Aging and Disability Services curriculum in the sequence provided by the State of Texas. After the successful completion of the first 16 hours of nurse aide certification training, students can obtain a document from TVCC to take to employers which can permit them to work in a long term care facility as long as they remain in the training program and are placed on the Nurse Aide Registry within 4 months of the date of hire.

Instructor will provide the students with regular assignments and test schedules which will include completion of workbook and unit/chapter quizzes and exams, and a final exam.

Grades: The grade provided at the end of each course is the final course grade that will be transcribed at TVCC.

Students will be graded on:

- Course final exam – instructor designed (generally from the textbook)—20%
- Classroom work, lab, homework and quizzes- from text book or teacher generated.—60%
 - ✓ Daily participation
 - ✓ Attendance
 - ✓ Class written work (writing assignments, workbook assignments, etc.)
 - ✓ Skills practice and demonstrations
 - ✓ Complete all course labs and skills check off
- Instructor will administer periodic exams—“make up tests may not be available”.
- Written practice/Dept. Exit Exam – (provided by TVCC) – 20%

The following grading scale will be utilized:

- **A=Excellent (90-100)**
- **B=Good (80-89)**
- **C=Fair (70-79)**
- **D=Poor (60-69)**
- **F=Failure (below 60)**
- **W=Withdrew (student/ISD initiated drop)**

Note: The students receive the grades they earn. The instructor has the right to assign a grade based on the performance of the student. Attendance and class participation will be taken into consideration when grades are assigned.

Professionalism is a vital part of employment and training. A portion of your course grade is based on “professionalism”. Professionalism is defined as, but is not limited to: respect for others; taking responsibility for commitments (schedules, work, etc.); appropriate use of language; appropriate behaviors; appropriate dress; working as a team with fellow students, instructors, and community individuals. When you are off campus but wearing your TVCC/student scrubs and name badge, you are representing the college and you are expected to present yourself as a respectful, positive person. Documented reports of unprofessional/inappropriate behaviors, as well as positive and very appropriate reports from clinical site representatives, community members, college personnel, etc. will be considered as a part of the student’s professionalism grade. (A documented report is that there is identification of the person making the report about unacceptable professionalism standards and it is put into writing to be shared with the student.) At the discretion of the instructor, a student with a negative professional grade/incident, etc. may be required to report to the TVCC Continuing and Workforce Education Department dean.

Classroom Policies: See www.tvcc.edu/communityservices

- Absences can impact your grade and the opportunity to take the State of Texas Nurse Aide Certification exam.
- It is the responsibility of the student to make arrangements for getting missed assignments and for completing missed work or tests. (“Make-ups” are at the discretion of the instructor.)
- Professionalism is a vital part of employment and training. Professionalism is defined as, but is not limited to: respect for others; taking responsibility for commitments (schedules, work, etc.); appropriate use of language; appropriate behaviors; appropriate dress; working as a team with fellow students, instructors, and community individuals. When you are wearing your TVCC/student scrubs and name badge, you are representing the college and you are expected to present yourself as a respectful, positive person

Cheating/Plagiarism:

Scholastic dishonesty shall include, but not be limited to, cheating on a test, plagiarism, and collusion. “Cheating on a test” shall include

- (a) Copying from another student’s test paper
- (b) Using test materials not authorized by the person administering the test
- (c) Collaborating with or seeking aid from another student during a test without permission from the test administrator

(d) Knowingly using, buying, selling, stealing, or soliciting, in whole or in part, the contents of an un-administered test

(e) The unauthorized transporting or removal, in whole or in part, of the contents of the un-administered test

(f) Substituting for another student, or permitting another student to substitute for oneself, to take a test, and

(g) Bringing another person to obtain an un-administered test or information about an un-administered test.

“Plagiarism” shall be defined as the appropriating, buying, receiving as a gift, or obtaining by any means another’s work and the unacknowledged submission or incorporation of it in one’s own written work.

“Collusion” shall be defined as the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements.

The student who engages in cheating, plagiarism, or collusion may receive a failing grade on the assignment: or, the student who engages in cheating, plagiarism, or collusion may receive a failing grade in the course.

Drop Policy:

A student may withdraw (drop) from a course and receive a grade of “W” at any time during a given class. Dropping requires contacting the TVCC Continuing and Workforce Education Department to officially “drop”. Students who do not officially drop, but discontinue class activities will receive a grade of “F”.

For ISD students—you can work with your school counselor to contact TVCC about dropping. An official notice from the counselor can be used for TVCC to “drop the student”. Note—Just telling your instructor that you are not returning does not provide the documentation needed to receive a grade of “W” instead of an “F”.

Student’s responsibility:

This syllabus contains information, policies and procedures for a specific course. By enrolling, the student agrees to read, understand, and abide by the rules, policies, regulations, and ethical standards of Trinity Valley Community College as contained in the current catalog and schedule of classes.

Affirmative Action:

TVCC is an affirmative action/equal opportunity institution which provides educational and employment opportunities on the basis of merit and without discrimination or harassment in full compliance with the Civil Rights Act of 1964, as amended; the Rehabilitation Act of 1973 (Section 503,504); Americans with Disabilities Act, as amended, Title IX of the Educational Amendments of 1972; the Vietnam Era Veterans Assistance Act of 1974; Article 5221k V.A.C.S.; and Executive Orders 11246 and 11758.

AMERICANS WITH DISABILITIES ACT (ADA)

Trinity Valley Community College provides equal opportunities for academically qualified students with disabilities and ensures access to a wide variety of resources and programs. The passage of Section 504, Federal Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990 requires that the college make certain special arrangements for students with disabilities such as moving classes to accessible locations when necessary, allowing the use of tape recorders, sign language interpreters, or other educational auxiliary aids, making special test arrangements, and other accommodations. The college will make reasonable accommodations for qualified students with a diagnosed physical and/or learning disability who have been admitted to the college and request accommodations.

Students with disabilities who wish to request accommodations should notify the Guidance Services Office on their campus. In accordance with federal law, a student requesting accommodations must provide documentation of his/her disability to the Disability Services counselor.
