### **Course Description:**

This course will provide 36 hours of instruction in mathematical reasoning. The topics covered will include numbers and operations, geometry and data analysis, algebra, and functions.

## Course Objective:

Upon completion of this course, students will be equipped with the reasoning skills, procedural skills, fluency, and conceptual understanding to successfully solve quantitative, algebraic, and real-world problems.

## Grading Policy:

Students will be assigned one of the following grades upon completion of the course:

**Pass (P)**

**Fail (F)**

**Drop (D)**

**Withdraw (WD)** – if you wish to withdraw prior to the first class date, you must email [ContEd@tvcc.edu](mailto:ContEd@tvcc.edu) or call 903-675-6212.

*Please note: Class attendance is important. Success in this course depends on your attendance and participation.*

## Course Pre-Assessment:

Prior to the first day of class, students must create an account at [www.GED.com](http://www.GED.com) and take a practice GED math test. There is a nominal fee for the practice test. Test results from the last 45 days will be accepted; however, if test results are older than 45 days, the practice test must be retaken. Test results must be e-mailed to the instructor prior to the first day of class.

## Campus Policies:

Students are expected to abide by the rules, regulations, and policies established by Trinity Valley Community College. A copy of the student rights and responsibilities (pages 73-75) and the student code of conduct (pages 75-94) can be found in the Trinity Valley Community College 2018-2019 catalog <https://www.tvcc.edu/catalogs/files/2018-2019/index.html>.
