**CONSENT FOR STUDENT RELEASE OF INFORMATION**

The Family Educational Rights and Privacy Act (FERPA) of 1974 is a federal law designed to protect the privacy of aspects of a student's educational record that are not considered 'directory' information. Educational records include financial aid, student account records, and academic information which are considered confidential and will not be released without written consent from the student, except to the extent that FERPA authorizes disclosure without consent. For this reason, it is necessary for the Office of Financial Aid at Trinity Valley Community College to obtain permission from a student in order to release any educational records not excluded by FERPA laws. For a full disclosure regarding FERPA, please consult the current year school catalog.
