My signature below verifies that I have read and understand:

- I understand that ***THIS IS A LOAN THAT MUST BE REPAYED.***
- I understand I am required to begin and actively participate in the classes once enrolled. Not starting and actively participating in the classes after registration may reduce your fund eligibility for the semester.
- I understand that as a borrower, I must complete online Entrance Counseling and sign a Master Promissory Note (MPN) at www.studentloans.gov before loans will disburse.
- Loans for first time, freshman borrowers ***will not disburse until 30 days after classes begin.*** Students without other aid must make payment arrangements with the Business Office or complete a temporary loan contract.
