### **DUTIES AND RESPONSIBILITIES:**

As Coordinator:

In addition to the instructional responsibilities outlined in TVCC Board Policy DDA (LOCAL), program coordinators:

- Oversee curriculum development in program, including the establishment, incorporation, and the reporting of program learning outcomes.
- Present curricular recommendations to division chairperson for consideration and approval by the curriculum and instruction committee.
- Coordinate the program's selection and adoption of textbooks and materials to support the respective learning outcomes of the program.
- Inform administration of matters affecting the welfare of students, faculty, and the institution.
- Follow curriculum guidelines for the CNA portion of the program as set forth by the Texas Department of Aging and Disability Services (DADS).
- Maintain current syllabi.
- Maintain open lines of communication between PCT faculty and faculty of the health occupations division.
- Prepare instructional materials for PCT curriculum.
- Submit all required student grades to the registrar's office on schedule.
- Assist in first level problem solving with students.
- Assist in recruitment, selection, orientation, and evaluation of part-time instructors as needed.
- Coordinate orientation of new PCT applicants.
- Assist students as needed with applications for nurse aide certification examination applications.
- Attend or send a report to the health occupations advisory committee meetings.
- Ensure compliance with requirements including maintenance of records for continued approval as a Nurse Aide Training and Competency Evaluation Program (NATCEP).
- Prepare materials for approval visits from Texas Department of Aging and Disability Services.

**COORDINATOR/INSTRUCTOR, PATIENT CARE TECHNOLOGY PROGRAMS**

- Provide input into revisions of policies for PCT program and Health Occupations Division.

As Instructor:

- Maintain academic standards as established by the College and health occupations division.
- Teach assigned classes/clinical according to approved course syllabi and minimum competencies.
- Arrive on time for class/clinical or notify the provost of health occupations as early as possible of an inability to meet the class/clinical.
- Maintain scheduled office hours, attendance and scholastic records as required by the College.
- Attend all faculty meetings, commencements, and other special meetings called by the provost, vice president of instruction or president.
- Participate on college committees, health occupations committees, sponsorship of College clubs and organizations and other college activities.
- Assist in planning of the budget and selection of visual aids and library holdings.
- Observe regulations as outlined in College faculty handbook.
- Coordinate clinical experiences and maintain public relations with the respective cooperative agencies.
- Serve as a resource person for students.
- Assist in recruitment and retention of PCT students.
- Participate in evaluations of PCT students.
- Keep abreast of current trends in nursing and PCT through active participation in continuing education/workshops and/or formal education activities.
- Adhere to the health occupations division health and safety policy.
- Maintain current CPR certification for health care providers.
- Other duties as assigned by appropriate supervisory personnel.

**PHYSICAL REQUIREMENTS:**

- Within the general range of an office or classroom environment.
- May be required to don personal protective equipment such as mask, gloves, goggles, and gown to prevent exposure to blood and body fluids in the clinical setting.
- May require irregular evening and weekend hours.

*The above job description has been reviewed with the employee and specific duties and responsibilities were explained. It was also explained that all questions concerning duties, responsibilities, working conditions, hours, etc., should be directed to the immediate supervisor.*
