This report lists the top 20 courses with the highest enrollment and the completion rate of each course. It is sorted (largest to smallest) by the number of students enrolled, with the course number, enrollment number, successful completion number and completion percentage listed. Noticeable Trend: The average completion percentage of DEVL/DECO courses listed was 51%. ENGL.1301 and 1302 along with HIST.1301 and 1302 not only had the highest enrollment but were also the highest in completion percentage. MATH.1314 successful completion dropped by 22% between SP2018 and SP2019.

Note: A grade of "D" is not considered passing for developmental (DEVL) courses but the courses were included because of high enrollment/low completion numbers. In the FALL of 2018 DECO courses took the place of DEVL courses.

This report lists the top 20 face-to-face courses with the highest enrollment and the completion rate of each course. Noticeable Trend: ENGL.1301, ENGL.1302, GOVT.2305, GOVT.2306, HIST.1301, and HIST.1302 are not only in the top five of enrolled classes for each of the semesters listed but maintain a consistent completion rate as well. The MATH.1314 completion rate dropped a total of 21% from Fall 2017 to Spring 2019. The combined completion rate for DEVL and DECO courses during this timeframe was 53%.

Note: A grade of "D" is not considered passing for developmental (DEVL) courses but the courses were included because of low completion numbers. In the FALL of 2018 DECO courses took the place of DEVL courses.
