Carl Perkins V Grant Student Support Assistance Information & Guidelines

Trinity Valley Community College’s Workforce Education provides many student support services which can include work-study positions, tutoring, computer labs and even financial support through federal assistance programs. Our participation in Texas Workforce Commission (TWC) programs - such as the Workforce Innovation & Opportunity Act (WIOA) and the Perkins V: Strengthening Career & Technical Education for the 21st Century Act - provides eligible students access to financial assistance through textbook, transportation, childcare and computer equipment assistance programs.

Grant funding awards are based upon budgeted federal funds through the Perkins V: Strengthening Career & Technical Education for the 21st Century Act, approved by the Texas Higher Education Coordinating Board, per college semester.

All grant awarded funding for textbook, childcare and computer equipment assistance programs are paid directly to the approved vendor providing the assistance - students are not reimbursed grant funds.

Carl Perkins V Grant Student Support Assistance Eligibility Requirements:

**Student Must:**
- Major in a Workforce Education program in an Associate of Applied Sciences degree, Workforce Education certificate, or Occupational Skills Award (See TVCC catalog or course list below for program eligibility)
- Enrolled part-time (six (6) or more semester credit hours)
- Enrolled in courses according to the student-selected degree plan
- Have and maintain a 2.5 GPA

Carl Perkins V Grant Student Support Assistance Application Process:

- Apply and be enrolled in TVCC as a student;
  - Turn in TVCC admissions application to registrar’s office (and other required documents)
  - Must have a Workforce Education major
- Complete the online current FAFSA
  - Select TVCC as attending institution
  - Consult with financial aid office for questions/concerns, and acknowledge that Pell Grant eligibility is the criteria used for Carl Perkins Grant Services awards
- Submit the Carl Perkins V Grant Student Support Assistance Application, and all required eligibility documentation, by the appropriate semester application deadline
- Upon approval of the application, all required Student Support Assistance contracts must be signed prior to any grant funds being dispersed

Upon Award of Carl Perkins V Grant Student Assistance, Approved Students Must:

- Have and maintain a 2.5 GPA
- Maintain part-time (six (6) semester credit hours) enrollment - without excessive absences
- Contact Workforce Education administration (workforceed@tvcc.edu), BEFORE dropping any courses
  - If you drop below six (6) hours your grant benefits will be discontinued, or
  - If you drop all of your courses during a semester, you will need to successfully complete six (6) semester hours towards degree completion BEFORE you are eligible to reapply for the grant
- Have Satisfactory Academic Progress to qualify for continual grant assistance funding
**CHILD CARE Assistance Program Details:**

- Limited to three (3) dependents per family; infant to 12 years old
- Cover class days only; no holidays *(required documentation of class schedule)*
- All reimbursement is paid directly to the designated state-licensed care facility, or state-licensed family home, at a weekly rate based on the age of the child(ren) & days in class. Any remaining amount due the childcare facility is the responsibility of the student participant. Payment for services is monthly, after student submittal of required Statement of Charges & childcare provider invoice for the month.

**Childcare Assistance Rates (subject to change):**

- Infants to age 1 .................................................. $65.00
- Ages 1 to 2 .......................................................... $60.00
- Ages 2 and up to Kindergarten ..................... $50.00
- After school care (12 years old and under) ..... $40.00

Childcare funding from other sources (i.e. CCS) must be reported prior to the application process. Student participants cannot be awarded childcare assistance from another source and also receive Carl Perkins V Grant Student Support childcare assistance at the same time. Excessive absences of a child from a childcare facility will result in cancellation of Carl Perkins V Grant childcare assistance.
