

TEXAS RESKILLING GRANT REQUIREMENTS

Through 2021, eligible students have access to the **Texas Reskilling Support Fund Grant Program**, which provides school tuition and fees coverage assistance to displaced Texas workers impacted by the COVID-19 pandemic.

Those looking to enhance their current skillset, or seeking new career skills to help them get back into the workforce, can benefit from this grant assistance as well as eligible Texas students who may have previously stopped their higher education goals without completing their post-secondary credential.

Grant Applicants Must Meet the Following Eligibility Requirements:

- Be a Texas resident eligible for in-state tuition
- Have filed FAFSA – and are approved eligible for funds between \$500-\$2,500 per semester, per student
- Can prove financial need and are eligible for federal Title IV aid
- Have affirmed affected by COVID-19
- Enrolled in an eligible TVCC Workforce Education credential program, or associate degree, on either a full-time or part-time basis
- Not enrolled in an accredited Institution of Higher Education (IHE) in the previous long semester or previous six months
- Credential does not need to be completed during grant period year
- Academic terms of any length allowed
- Continuing Education students are eligible
- Students taking non-credit Continuing Education courses in the previous semester, or previous six months, are eligible
- Students involved in high school dual credit who receive post-secondary credit, and demonstrate the additional requirements of the Reskilling grant, are eligible

TVCC Programs Eligible for Grant Assistance:

All Workforce Education Certificates and AAS Degrees are Eligible
